Design Forward Receives 2013 Best of Pasadena Award

Pasadena Award Program Honors the Achievement

PASADENA July 16, 2013 -- Design Forward has been selected for the 2013 Best of Pasadena Award in the Architects category by the Pasadena Award Program.

Each year, the Pasadena Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Pasadena area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Pasadena Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Pasadena Award Program and data provided by third parties.
